

LIME + weighted LASSO path (class 0, center 2)

Entry Order Ranking

1. concave points error
2. perimeter error
3. mean area
4. worst radius
5. mean smoothness
6. concavity error
7. worst concave points
8. smoothness error
9. mean symmetry
10. fractal dimension error
11. worst texture
12. mean concave points
